Please carefully consider the following questions before answering. There is no right or wrong answer but we do encourage you to put some thought into what you write. Please be as honest as possible, your answers will not be used against you. The answers simply provide us with more information about you.

1. Describe your experience as a youth leader. If not yet a youth leader, how do you think you can begin to be a youth leader?

2. Why is it important for you to be a leader within your community?

3. How will you benefit from attending the Peer Education Academy? What do you expect to learn?

4. What are three issues do you think are most important to young people?

5. In what ways do you think HIV and other sexually transmitted diseases have affected the way young people view sex?

6. How did you find out about the Peer Education Academy?
